

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

33 WEST 39TH STREET, NEW YORK, N. Y.

FEB 27 1920.....192.....

Mr. J. Davidson, Jr.,
A. T. & T. Co.,
195 Broadway,
New York, N. Y.

To avoid delay in consideration of this application
please return the form promptly.

Dear Sir:

An application for admission as an ASSOCIATE of the American Institute of Electrical Engineers has
been filed by W. H. Harrison, Engineer,

American Tel. & Tel. Co.,
New York, N. Y.,

who has given your name as one of the references required under our Constitution and By-laws.

For the confidential information of our Board of Examiners, will you kindly reply to the following inquiries?

Very truly yours,

J. L. Hutchinson

Secretary.

Do you personally know the applicant, and if so, for how long have you known him?

About five years

Have you ever been associated with him in any branch of electrical work, and if so, when and where, and
for how long a time?

*In connection with engineering work for the
Amer Tel & Tel Co for about 5 years*

Are you of the opinion that his character is such that if he is elected he will prove a creditable Associate
of the Institute?

Yes.

Date *3/2/20*

Signed *John Davidson Jr.*

If approved please sign above.

The qualifications for the grade of ASSOCIATE are printed on the back of this form.
