

NOV 10 1910

INTERBOROUGH RAPID TRANSIT COMPANY.

MOTIVE POWER DEPARTMENT,

235-P

59TH STREET AND 11TH AVENUE.

H. G. STOTT,
SUPT. MOTIVE POWER

NEW YORK, November 9, 1910.

3168

Mr. Ralph W. Pope,
Secy., A. I. E. E.,
33 West 39th St., City.

Dear Sir:-

Referring to your circular of November 7th, relative to the Institute meeting on Friday evening, at which Mr. Stott was requested to enter into a discussion of the paper to be presented, have to state that Mr. Stott will not, of course, be able to take part, owing to the illness mentioned in my letter to you of the 7th inst.

Yours truly,

J. E. McNabb
Chief Clerk.

Phoned from Mr Thomas 12-10-10
as working for action of Board yesterday 3/18

"The Board of Directors of the A. J. E. E.
(Fall out)
hearing of the serious illness of
its recent member, and past-president
of the Institute, Henry Gordon Stott wishes
hereby to extend its sympathy to Mr.
and Mrs. Stott and to express
its hope of his speedy recovery."

3168

December 10th, 1910.

Mr. Henry G. Stott,
Rochelle Heights,
New Rochelle, N. Y.

Dear Mr. Stott:-

I take pleasure in transmitting to you herewith the following minute, which was adopted at the meeting of the Institute Board of Directors held in this office yesterday - -

"The Board of Directors of the American Institute of Electrical Engineers, hearing of the serious illness of its recent member, and Past-President of the Institute, Henry Gordon Stott, wishes hereby to extend its sympathy to Mr. and Mrs. Stott and to express its hope of his speedy recovery."

Very truly yours,

Secretary.
