Mr. W. A. Del Mar
Habirshaw Electric Cable Company
Yonkers, N. Y.

Dear Mr. Del Mar:-

I had occasion this morning to consult the publication of the Institution of Electrical Engineers, of London, and I am informed that the latest copy in the files in our Library is dated July 1921; also that it is customary for the copies to be received many months after the date of publication.

I should like to check this up; therefore will you please advise me the date of issue of the latest number which you have received, and whether they usually reach you many months after the date of issue?

Very truly yours,

Secretary.
