Mr. R. W. Pope,  
Secretary.

Dear Sir:

Replying to yours of the 18th, I expect to take part in the discussion of Mr. Doherty's paper, entitled "Comments on Development and Operation of Hydroelectric Plants", at the Institute meeting, December 16, 1909. My discussion will be oral.

Yours very truly,

*H. G. Stott*

Dear Mr. Wardlaw:-

I am returning herewith corrected discussion,  
together with cuts, in reference to Mr. Doherty's paper.

*ami*  
I note that Figure No. 1 was omitted, so that  
in forwarding to Mr. Doherty will you please see that he  
gets it, as without it the discussion is incomplete?

Yours very truly,

*H. G. Stott*
