Dear Mr. Hutchinson,

Is there any way that I can get a copy of "A Report on Electromagnetic Induction" by S. J. Barnett dated Oct. 1919. I am of course willing to pay for it if necessary.

If this gives you a lot of trouble, then I will go to a library to look it up.

It was either a report of a committee or a paper which may or may not have been read, but I hear it was published by the A. I. E. E.

Yrs truly
Carl Hering
