Dear Mr. Hentelimer,

Will you please look into
the 1923 volume & let me know
whether it contains my paper or not.
If it does, please send me the page
number on which it begins, & please see whether
it contains the discussion.

Yrs truly
Carl Hering

Paper 311-76 } Electromagnetic Forces; a Search for more
Disc. 337 } Rational Fundamentals; a Proposal, based on the Laws.

October 27, 1924

Dr. Carl Hering
1317 Spruce Street
Philadelphia, Pa.

Dear Sir:-

This will acknowledge your note of October 26th, addressed to Mr. Hutchinson, who has not yet returned from his trip to the Pacific Coast.

In reply to your inquiry, I wish to state that your paper on the subject of electromagnetic forces appears in Volume 42 of the TRANSACTIONS, pages 311 to 326 inclusive, the discussion following on pages 327 to 340 inclusive.

Very truly yours,

Office Manager
