

October 29, 1912.

Mr. Bancroft Chervardi,
American Telephone & Telegraph Co.,
15 Dey Street, New York City.

Dear Sir:

Referring to your application for transfer to the grade of Fellow, under the special section of the constitution, our records show that your application is not yet in complete form for action by the Board of Directors, for the reason that only four replies have been received from your references, whereas five are required in order to complete the application.

We have checked upon the attached list of Fellows and Members the references named in your application. We suggest, therefore, that you send us two or three additional names of Members or Fellows as references.

Very truly yours,

Secretary.
