Dear Mr. Metcalfe

Thanks for getting my  
little filler on Wattless Flux into  
the Oct. issue. I had good reasons  
for having it appear soon.

Should you be able to cut this  
page out of some of your cut copies  
I would consider it a favor. I do not  
like to cut any copy, & would like a  
few for my files.

Thanking you for past courtesies

Yrs truly
