General:

The July, 1938, issue of the *T. & R. Bulletin* (R.S.G.B.) carries an interesting story on "The Dawn of International DX" by G2UV, of interest to any DX-minded ham because it gives a European slant on the early DX work across the pond. Read along with the American views carried in *QST* and "Two Hundred Meters and Down," it will round out your picture. . . . Apparently the summer-camp station of the E.D.R. (Denmark), OZ7EDR, was a big success again this year. It was set up for a week at Smidstrup Strand, and averaged about 60 visitors a day. More than 100 amateurs visited the camp, 80 of them staying overnight, and the guests included German, Swedish, and Dutch amateurs. The 85-watt station was never lacking in operators and, from the account in *OZ*, the gang left the camp happy, sun-burned, and well-fed. . . . New regulations giving Roumanian amateurs a more substantial position have recently been formulated and adopted, according to information received from the U. S. Department of State. . . . J. Mahieu, ON4AU, well known to all DX men, was recently elected Traffic Manager of the *Reseau Belge*. . . .

Navy Day Receiving Competition

October 27th

A MESSAGE to radio amateurs from the Secretary of the Navy will be transmitted on Navy Day, October 27th. In connection with this message A.R.R.L. will conduct the Fourteenth Annual Navy Day Receiving Competition. All amateurs are invited to take part in this activity, which constitutes amateur radio's participation in the celebration of Navy Day.

Two messages will be transmitted, one from Radio Washington (NAA), the other from Radio San Francisco (NPG). These messages will be substantially the same in thought but will vary slightly in wording. A letter of appreciation from the Navy Department will be sent to every amateur who makes perfect copy of the text of one message. Both messages may be copied, but only the best copy should be submitted in the competition. It is not necessary to copy both stations, and no extra credit is given for so doing. However, if both stations should be copied, please mention the fact when submitting your best copy so that the number of operators copying each station may be ascertained. Only the text (including any punctuation therein) of each message will count (not the preamble, break signs, and the like). Copy what you hear. Do not guess! Credit will of course be deducted for logging anything that was not actually transmitted!!

Mail copies for grading to the A.R.R.L. Communications Department, West Hartford, Conn. Send your original copies—recopying invites errors. An Honor Roll of letter winners and all other participants will appear in *QST*. The relative standings of the various Naval Districts will be determined by comparing the number of letters awarded with the number of copies submitted from each District. In submitting copy please mention it if you are a member of the Naval Communication Reserve.

Transmissions will be at approximately 25 words per minute and will be preceded by a five-minute CQ call on the following schedule: From Washington: NAA, 9:00 P.M., E.S.T., simultaneously on 4045 and 8090 kcs. From San Francisco: NPG, 7:30 P.M., P.S.T., simultaneously on 4045 and 9090 kcs.
