American Institute of Electrical Engineers,

SCHUYLER SKAATS WHEELER,
PRESIDENT.
AMPERE, N. J.

RALPH W. POPE,
SECRETARY.
95 LIBERTY ST., NEW YORK.

AMPERE, N. J., August 16, 1906.

Ralph W. Pope, Esq.,
Sec'y A. I. E. E.,
95 Liberty St., N. Y. City.

Dear Mr. Pope:-

Please notify Mr. W. D. Weaver that he has been appointed by me a Committee of One to complete and print the Bibliography of the Wheeler Collection.

I presume that this appointment stands only until the meeting in September, but I have conferred upon the subject with Dr. Sheldon, and I believe that it is understood that he also will reappoint Weaver in the same capacity, in order that this work, which has gone on now for so many years, may be carried to completion under the same management without interruption. I suppose I am correct in making this appointment myself; if not, it should be done by the Council. Let me know. This action is in accordance with Mr. Weaver's wishes, as explained to me in an interview with him.

The matter of Mr. Weaver's resignation from the Library Committee, must, I presume, await action by the Trustees.

Very truly yours,

Schuyler Staats Wheeler
President.
