Dear Mr. Stott:

With this letter please find a galley-proof of the discussion on the proposed Code of Ethics at Niagara Falls, as revised by direction of the Editing Committee. As you will see, there has been eliminated all the discussion relating to the accepting of this code by the Convention. All that remains is the actual discussion on the subject matter of the code itself, with the additional note at the bottom of the galley, recording the next morning by vote of the Convention the referring of the code to the Board of Directors.

Very truly yours,

Secretary.
