National Secretary  
American Institute of Electrical Engineers

Dear Sir:

Permit me to acknowledge, with deep appreciation, the receipt of a copy of the beautiful resolution adopted by the Executive Committee of the Institute of Electrical Engineers on the death of my father, Michael Pupin. My husband and I drove my father to Saratoga at the time that he entered on his term as President of the Institute, and we saw there how many warm friends he had among your members. He would have been very proud of your resolution.

Permit me to acknowledge also with heartfelt thanks, the beautiful spray of roses and orchids which the Institute sent to Papa at the Cathedral of St. John the Divine, and your telegraphic message of sympathy.

Very sincerely yours,
