Care Frank L. Pope.

Elizabeth New Jersey

Please find below a Communication from the Examiner

Mechanical Telegraph Inst.

filed Mar. 23^d 1874.

Very respectfully,

M. D. Seagott,

Commissioner.

Room No. 118

The withdrawal filed
in this case is informal, be-
ing signed by the Attorney.

The power granted to an At.

[Drawings of those references cited in this letter, marked with blue pencil, may be obtained by remitting 25 cents for each.]

torney to prosecute an app'n
for a patent, does not cover
the right to withdraw or aban-
don an app'n - That must
be done by the inventors in per-
son. Unless it be so done, the
Office must consider the case
as pending, and declare an in-
terference thereon.
