Under the

supposition & as we have been
informed, your Co. frequently has large
interests to be covered by marine
Insurance, requiring skill & care
in the management we take the
liberty of enclosing our card.

Our house as you are no doubt
aware is much the oldest & most
extensive in its operations in this
department, of any in the Country.

We beg to suggest, that we shall
take great pleasure in being of service
to you when opportunities offer. We think
we are warranted in saying, your
interests will be served should we
be favored with your orders.

Yours Respectfully,
Johnson & Higgins
